

PROTECT OUR HISTORIC NEIGHBORHOODS!

**Support City Council Adoption of the New
Design Guidelines This Wednesday, July 25th**

Wednesday July 25 at about 8:25 p.m. the City Council will consider adopting a set of guidelines for the design and conservation of neighborhoods within the historic, 1917 boundaries of Davis (A to L streets and First to Seventh streets).

Members of the Council need to know that people want to conserve Davis' historic areas and heritage.

**BE THERE!
THIS IS THE IMPORTANT MEETING**

You do not have to address the Council. Just being there in force sends the message.

**For more information, go to the City's website on this topic:
